

Sisters and Brothers,

Your Negotiating Committee met last week in Louisville, KY with Stan Johnson, RPIC Chair and Randy Boulton, BATO Coordinator. The meeting was held to draft contract proposals for upcoming negotiations for all locations with contracts expiring on July 27, 2013.

The Negotiating Committee and Pension and Insurance representatives met to draft proposals to address issues raised by the membership in all locations to begin negotiations the first week of June.

The Policy Committee is optimistic that these negotiations can be successful with your continued support and solidarity!

Yours in solidarity,

USW Coordinator
 Randy Boulton
